From the Leadership

2006 was the year no organization wants to have.

Late in the afternoon of July 28, an armed gunman forced his way into our offices, leaving destruction and fear in his wake. Within minutes, our campaign director Pam Waechter was dead, five others seriously wounded, and our community was unimaginably and forever altered.

Emergency and medical personnel, donors and strangers, volunteers and partner agencies, elected officials and corporations all came to our aid generously, quickly and selflessly. Thankfully the healing was made easier by the heartfelt and generous response from the community locally, nationally and internationally.

Recovery was slow but steady. By the end of the fiscal year, we had much to feel blessed about.

- **WITHIN HOURS**, Richard was on the scene from Minneapolis, two weeks before his tenure as CEO was to begin. Thanks to the commitment and caliber of our volunteer leaders, led by Robin and our committed staff, who worked seemingly 24 hours a day for the next few weeks, Richard was able to hit the ground running and respond effectively to this chaotic situation.
- **AFTER MUCH SOUL-SEARCHING**, we decided to rebuild our Third Avenue offices. The Brick by Brick Building Campaign was launched and ultimately raised over \$1 million for rebuilding.
- **OUR COMMUNITY DINNER** in September, just two months after the attack, attracted 1,300 people, nearly doubling any previous attendance record. We were especially blessed with the attendance of survivors and their families who were still physically and mentally recovering.
- **STATE ELECTED OFFICIALS** noted the seriousness of this hate crime and the threat of others and allocated \$900,000 for security improvements in the Jewish community.
- **THE REOPENING** of our offices just seven months later—after a down-to-the-studs rebuilding—was incredibly heart-warming and healing. The space continues to provide our extraordinary staff a productive environment that enables us all to continue our important work.
- **AND DESPITE** the greatly diminished staffing and through the generosity of the community, we raised our annual campaign total to \$6.2 million, ensuring that our dire straits did not detract from Federation's ability to meet the needs of others in our community.

Saying, "When given lemons, make lemonade," seems trite and understated, but it contains the right sentiment. This community made lemonade like you wouldn't believe. And after this troubling year, we are looking to the future for continued healing, community understanding, growing partnerships and moving together from strength to strength within this community.

Warmly,

Robin Boehler

Jewish Federation of Greater Seattle Board Chair's Award: Ron Leibsohn

The Board Chair's Award for Outstanding Service is the Federation's most prestigious recognition. It was created and endowed by past Federation President Dr. Charles Kaplan z"l and Lillian Kaplan.

Ron led the remodeling of the Federation building and it is due to his commitment to this huge project that the Federation staff and volunteers are back at work together in a beautiful and secure space.

Thanks to all those serving our Jewish community, whether on the Board, a committee or as a volunteer.

Pamela Waechter z”l Jewish Communal Professional Award: Don Armstrong

The Pamela Waechter Jewish Communal Professional Award recognizes professionals working at a Jewish institution in the greater Seattle area for significant contributions to the Jewish community. This award, named for the Federation’s Director of Annual Giving Pamela Waechter z”l, was awarded for the first time in 2007.

A selection committee chose from eight highly regarded nominees, all of whom were dedicated leaders, warm and caring community members and true role models for other professionals. These qualities are a reflection of Pam.

Don Armstrong is a Vietnam veteran and has degrees in political science, religious studies, education and public administration. He has served as the education director of Congregation Kol Ami, a teacher at Temple De Hirsch Sinai, director of disability services for the Seattle Association for Jews with Disabilities, and is currently the director of professional services at Jewish Family Service.

The Jewish Federation of Greater Seattle thanks Don for carrying on Pam’s legacy with such fidelity.

“Don’s values, leadership skills and compassion intersect profoundly with Pam’s. He played a significant role in helping our community to heal.”

—Mimi Siegel

Levitan Innovation Award: Jconnect

The Levitan Innovation Award was established to stimulate and encourage the development of programming with new and different approaches aimed at fostering and/or increasing engagement in Jewish life in the greater Puget Sound area.

Jconnect Seattle, a unique program run by Hillel at the University of Washington, is a bridge to the Jewish community. Jconnect brings together Jewish graduate students, young professionals and their friends to create opportunities for them to celebrate their Judaism together, learn together and take action together.

Spitzer Young Leadership Awards: Shelley Bensussen and Suzi LeVine

Jack z”l and Charlotte Spitzer created an endowment fund at the Jewish Federation to annually recognize at least two deserving young leaders in our community, ages 25–40. The Spitzer Young Leadership Awards are given to individuals who demonstrate leadership and vision for the community.

Brick by Brick Campaign

Our staff and volunteers were displaced for months following the shooting at our downtown offices on July 28, 2006. We considered moving out of our building for good, but memories, commitment and resolve led us instead to launch our Brick by Brick Building Campaign.

By the end of just a few months, we had raised more than \$1 million from individual donors, foundations and corporations, in addition to significant in-kind contributions including six beautiful paintings from Dale Chihuly.

The success of this “quiet campaign” made possible a safe, modern and healing space for the Jewish Federation, *JTNews* and Washington State Holocaust Education Resource Center staff and volunteers. We are proud to stay in our original Charles and Ann Bianco Building on Third Avenue in downtown Seattle.

Thank you to the generous individuals, businesses and foundations that made the Brick by Brick campaign—and thus our rebuilding—possible.
